

The Snowman™ and The Snowdog mobile

Make a wintry mobile for your bedroom, or as a Christmas gift for someone really special.

You will need:

Paper

Scissors

Glue stick

Ribbon

A handy grown-up to help you with the tricky bits

Step 1

Print your mobile template onto a nice weight of paper and then cut out the elements of your mobile.

Step 2

Fold the three clouds in half.

Step 3

Attach a length of ribbon to the back of one of the snowmen with sticky tape, making sure to leave some ribbon at the bottom to attach the circle. Next glue the second snowman onto the reverse with a glue stick.

Step 4

Now attach the circle to the bottom of the ribbon and then tape the top of the ribbon into the centre of one of the clouds, as shown, leaving a length of ribbon above for hanging your mobile.

Step 5

Attach ribbons to the remaining three figures, sticking each duplicate figure on the reverse.

Step 6

Next attach the figures to the clouds with a little tape. The Snowdog and the penguin should be on one cloud and Billy on his own cloud, stuck on the left-hand side.

Step 7

Now, using your glue stick, glue the clouds together as shown, with Billy to the right of the Snowman and the Snowdog and the penguin on the left.

Step 8

Make a loop in the top of the ribbon to hang. Your mobile is ready!
